A MESSAGE FROM SUPERINTENDENT MR. SETH TURNER

Welcome to the 2021-22 school year in Amagansett! The year ahead is certain to be filled with exciting new learning opportunities for our students as well as memorable activities and events. Whether this is your first year in our school district or your last, we are looking forward to all the exciting moments to come.

Our school district has a rich tradition of excellence. However, our work is not confined to the walls of our school. In fact, it extends well beyond the brick and mortar of the building. All stakeholders – teachers, administrators, Board of Education members and our PTA volunteers – work collaboratively each year to ensure our students have the resources to succeed and that collectively we are helping to foster a sense of community that ultimately translates to our school being like a family.

This calendar includes many of the activities planned for this school year, and we hope that you will find it to be a valuable reference guide. As a complement to the print calendar, our website is regularly updated to note any changes throughout the year. I encourage you to both bookmark our website, www.aufsd.org, and keep this document in a safe place. The district website also includes notices and minutes of Board of Education meetings, informative newsletters describing the many creative activities our children enjoy, links to useful reference sites for parents and engaging instructional materials for students.

In addition to the activities included, the calendar also contains several important policies and procedures. These include our Code of Conduct, dress code, attendance policy and safety procedure for school visitors. Please note there is also information regarding how to notify the school of any change in your child's dismissal arrangements. To have sufficient time to provide staff with accurate information regarding any change in dismissal, the office will accept written notes and/or emails to dismissalchange@aufsd.org until 12 p.m. on the day of the request.

On behalf of the Board of Education, administrators, staff and PTA volunteers, I extend our collective best wishes for a happy, healthy and productive school year. We know that our future is bright, and the 2021-22 school year is going to be special at Amagansett School.

Should you need additional information or have a question, please do not hesitate to contact the school at (631) 267-3572 for assistance.

Sincerely,

Seth M. Turner

PROCEDURES/INFORMATION

CHANGE OF PLANS

All changes of dismissal plans for your child should be in writing, preferably sent into school with your child in the morning. If for some reason you are not able to send the note in with your child in the morning, the office will accept changes up until 12:00 noon on the day in question. For your convenience, we will accept these changes via email and fax. Please fax to 631-702-8416. Please email the classroom teacher and dismissalchange@aufsd.org. If you are unable to notify the school in writing by 12:00 noon, your child(ren) will be dismissed according to their regular dismissal procedures. Telephone calls with regard to a change of plans will not be accepted unless they are of an extreme emergency nature.

DISMISSAL PROCEDURES

All parents waiting for their children must wait at the center doors. Once all the students are safely dismissed, you may come back into the building to conduct school business. All visitors must report in at the Reception Desk.

VISITORS TO THE SCHOOL

All visitors are required to report to the main office upon arrival at school and state their business. Visitations to classrooms for any purpose require permission in advance from the Principal or his/her designee. The Superintendent or his/her designee is responsible for all persons in the building and on the grounds. When individual Board members visit the school, they must abide by the regulations and procedures developed by the administration regarding school visits. For these reasons, the following rules have been developed by the Superintendent and apply to all visitors to the schools:

- Anyone who is not a regular staff member or student of the school will be considered a visitor.
- All visitors to the school must report to the office of the receptionist upon arrival at the school. There they will be required to sign the visitor's register and will be issued a visitor's identification badge, which must be worn at all times while in the school or on school grounds. The visitor must return the identification badge to the receptionist's office before leaving the building.
- Visitors attending school functions that are open to the public during the school day, such as parent-teacher organization meetings or public gatherings are required to sign in.
- Parents/guardians who wish to meet with teachers while school is in session are required to arrange such visits in advance with the classroom teacher(s), so that class disruption is kept to a minimum.
- Any unauthorized person on school property will be reported to the Superintendent or his or her designee. Unauthorized persons will be asked to leave. The police may be called if the situation warrants.
- All visitors are expected to abide by the rules for public conduct on school property contained in the District's Code of Conduct.
- We encourage all parents to attend the special events scheduled throughout the year by their classroom teacher. All visitations must be prearranged with the classroom teacher and office. Unannounced visitors will be asked to come back on a specific date and time.
- Friends or relatives of children attending Amagansett School will not be permitted to attend classes with his/her friend(s) or relative(s). Teachers cannot be expected to assume the added responsibility that such a visitation brings.

BUS SAFETY REMINDER

To ensure your child's safety and security during the afternoon drop-off, all students in grades kindergarten through grade two must be met at the bus stop by a parent/guardian or an authorized adult. Please ensure you are at the stop AM & PM five minutes before your scheduled pick-up/drop off time. Students in kindergarten through grade 2 will not be permitted to exit the school bus in the absence of their parent/guardian or previously designated person unless the school is advised in writing by the parent/guardian of an alternative pick up designee. This note must be submitted to your child's teacher or school receptionist no later than 12:00 noon on the day in question. Any student who is not permitted to exit the bus will be returned to the school where the parent/guardian will be contacted to make other arrangements.

SAFETY ON AND AROUND SCHOOL GROUNDS

The Amagansett School strives to create a healthy and safe learning environment for our students both in and outside the building. Please be reminded of the following:

- Dogs, with the exception of service animals, are not allowed on school property.
- Please use the crosswalk at all times.
- For Pre-K arrival and dismissal, please park on the south side of Main Street or park in the west parking lot.

- If you need to make a U-turn, please turn around at Meeting House Lane or Miankoma Lane rather than turning directly in the front of the school.
- Please do not use the bus lanes for drop-off or pickup at any time during the hours of 8:00 AM – 4:00 PM.

SCHOOL HEALTH

REPORTING ACCIDENTS/INCIDENTS

Accidents/incidents involving students occurring during the school day will be reported to the School Nurse, who will in turn notify the Principal. A call to the parents will depend on the nature and severity of the accident.

SCHOOL INSURANCE

The District maintains an accident insurance policy which provides coverage for students involved in school activities. This policy provides coverage (reasonable and customary) after family insurance plans provide benefits.

MEDICATION AT SCHOOL

The School Nurse is the only one permitted to administer medication to students. Students who are to use medication by direction of a physician during the school day must have the medicine delivered to the office via a parent, along with a Medicine Administration Form that is properly filled out by the physician and parent.

MISCELLANEOUS HEALTH POLICIES

If your child has vomited, either at school or at home, he/she must remain at home the next day. If your child has a heavy cold, PLEASE keep him/her at home. All rules and regulations are designed to prevent the spread of COVID-19 must be strictly adhered to.

GROUP MEALS/SNACKS

It is important for parents to notify their child's classroom teacher at least two school days before supplying the class with a meal or snack so that it can be reviewed by the School Nurse. The PTA generously provides a hot lunch to all students once a month. The Amagansett School and PTA make every effort to keep meals allergen free (i.e., peanuts and tree nuts) but there is always a chance that cross contamination may exist. The school nurse will review each menu with parents of food allergic students. If parents are concerned about the possibility of cross contamination, they may choose to send a lunch for their child or request that the school provide an allergen free lunch.

A SUMMARY OF THE AMAGANSETT UNION FREE SCHOOL DISTRICT ATTENDANCE POLICY

STATEMENT OF OVERALL OBJECTIVES

School attendance is both a right and a responsibility. The District is an active partner with students and parents in the task of ensuring that all students meet or exceed the New York State Learning Standards. The District recognizes that consistent school attendance, academic success and school completion have a positive correlation. The District will develop, review and, if necessary, revise a Comprehensive Student Attendance Policy to meet the following objectives:

The goal of the District attendance policies and programs is to encourage students to come to school ready to learn. Some of the objectives of taking attendance are:

- To know the whereabouts of every student for safety and other reasons.
- To determine the District's average daily attendance for state aid reimbursement.
- To verify that individual students are complying with education law in relation to compulsory attendance.
- To identify individual and group attendance patterns in order to provide attendance improvement programs and services.
- To raise student achievement to higher levels by encouraging regular attendance.

DESCRIPTION OF STRATEGIES TO BE EMPLOYED TO ACCOMPLISH THESE OBJECTIVES

The District will create and maintain a positive school building culture by fostering a positive physical and psychological environment where the presence of strong adult role models encourages respectful and nurturing interactions between adults and students. This positive school culture is aimed at encouraging a high level of student bonding to the school, which in turn should lead to increased attendance.

- a) Daily attendance will be taken each morning by the classroom teacher and reported to the school nurse.
- b) Parents/guardians should call the school nurse no later than 8:10 AM to report their child's absence from school.
- c) Students who arrive late to school must be accompanied by a parent/guardian and report to the receptionist's office to sign their child(ren) in. Lateness will be recorded in the attendance register.
- d) A written note must explain each instance of absence from a parent/guardian. The student upon returning from absence should bring this note to school.
- e) Participation in after-school events requires student attendance during the school day.
- f) The school nurse will notify parents/guardians by telephone of any unauthorized absences and remind them of the attendance policy.

- g) If a student is absent from school without an excuse, the Principal will review the attendance policy with the student and parent/guardian. Students who have been absent from school or excessively late without an excuse will be subject to a series of incremental interventions including counseling, loss of privileges (ex: participation in after-school activities or school sponsored events). Attendance data will be analyzed periodically to identify patterns or trends in student absences.
- h) Parents/guardians will be notified of student attendance on quarterly report cards.
- i) Recognition of excellent attendance will be done on a regular basis.
- j) Early dismissal is granted in emergency situations and when appointments (medical, dental, etc.) cannot be made on other than school time. A written note only from the parent requesting such dismissal and clearly noting the date, time and reason for early dismissal must be handed in to the school receptionist on the morning of the requested dismissal. All dismissal changes must be made prior to 12:00 PM.

STUDENT ABSENCES AND EXCUSES

The following reasons for student absences from school are recognized by the Board of Education as excused absences:

- a) Sickness
- b) School supported home instruction
- c) Sickness or death in the family
- d) Impassible roads
- e) Religious observance
- f) Quarantine
- g) Required court appearances
- h) Health related appointments
- i) Family emergency (fire in home, crises, etc.)
- j) Other such reason as may be approved by the Board of Education

Any other absence is considered unexcused. Each absence must be accounted for. It is the parent's/guardian's responsibility to notify the school on the morning of the absence. Please call the Nurse's Office at 631-267-3572 before 8:10 AM if possible. A written note from a parent/guardian must explain each instance of absence. The student upon returning from any absence should bring this note to school.

PROCESS FOR INTERVENTION STRATEGIES

The Superintendent will utilize the attendance intervention listed below to improve an individual student's attendance. Prior to utilizing these interventions, the Superintendent may consult with the student, teacher, parent or Principal to determine which interventions are needed in order to have an impact on improving attendance.

a) Attendance Interventions

- 1. Verbal warning / Teacher discussion
- 2. Parent / Guardian notified by nurse
- 3. Referral to Principal
- 4. After-school detention
- 5. Attendance / Behavior contract
- 6. Parent / Administrator / Student conference
- 7. Loss of privileges
- 8. Referral to Superintendent
- 9. Referral to family court/PINS (Pupils in Need of Supervision)/CPS

b) Designation of Reviewer

The School Nurse will be responsible for reviewing pupil attendance records and initiating appropriate action to address unexcused pupil absence, tardiness and early departure consistent with the comprehensive pupil attendance policy.

c) Excessive Absence/Pupil Progress

The Amagansett Board of Education recognizes that excessive absence may jeopardize a pupil's ability to maintain adequate progress in a particular grade level. In the event of excessive absence, which in turn affects a pupil's performance, a referral will be made to the Response to Intervention Team to assess the pupil's placement or consider the provision of additional support or intervention services.

d) Parent Notification

When a pupil is marked absent, the School Nurse will contact the family to verify such absence. When a pupil's excessive absence or tardiness begins to impact learning, a letter from the Principal will be sent home informing the parents of such. If such communication does not have a positive impact on the pupil's attendance, the Principal and Response to Intervention Team will set up a meeting with the parent(s) to clarify the importance of regular attendance and the consequences of excessive absence.

ANNUAL REVIEW

Attendance records will be provided to the Board of Education for annual review at the end of each school year. If such records show a decline in pupil attendance the Board, or governing body, shall make any revisions to the comprehensive pupil attendance policy deemed necessary to improve pupil attendance.

To this end, the Board adopts this Code of Conduct ("Code").

Unless otherwise indicated, this code applies to all students, school personnel, parents and other visitors when on school property or attending a school function or school-sponsored or co-sponsored event.

- Not include the wearing of hats/headwear in the school building except for medical or religious purposes.
- Not include items that are in poor taste, vulgar, obscene, and libelous or denigrate others on account of race, color, religion, creed, national origin, gender, sexual orientation or disability.
- Not promote and/or endorse the use of alcohol, tobacco or illegal drugs and/or encourage other illegal or violent activities.

Students who violate the student dress code shall be required to modify their appearance by covering or removing the offending item and, if necessary or practical, replacing it with an acceptable item. Any student who fails to comply with the dress code shall be subject to disciplinary action up to and including suspension or exclusion from a program.

STUDENT CONDUCT

The Amagansett Board of Education expects all students to conduct themselves in an appropriate and civil manner, with proper regard for the rights and welfare of other students, District personnel and other members of the school community, and for the care of school facilities and equipment. Students who will not accept responsibility for their own behavior and who violate these school rules will be required to accept the penalties for their conduct, as described in the Behavior Management Plan. Behaviors not tolerated because they disrupt the educational environment and may compromise student safety include:

- Disrespect for school personnel and other adults
- Disrespect for other students
- Insubordinate behavior
- Failure to follow directions
- Disruptive or violent behavior
- Not keeping hands, feet and objects to oneself

- Discrimination

DISSEMINATION AND REVIEW

The Board will work to ensure that the community is aware of the Code of Conduct by:

- Providing copies of a summary of the Code to all students at the beginning of each school year.
- Mailing a summary of the Code written in plain language to all parents of District students before the beginning of the school year and making this summary available later upon request.

REPORTING VIOLATIONS

All students are expected to promptly report violations of the Code of Conduct to a teacher, Principal or his/her designee or School Psychologist. Any student observing a student possessing a weapon, alcohol or illegal substance on school property or at a school function shall report this information immediately to a teacher, the Principal, the Superintendent's designee or the Superintendent.

DISCIPLINARY PENALTIES, PROCEDURES AND REFERRALS

School personnel who interact with students are expected to use the Behavior Management Plan when necessary and to place emphasis on the students' ability to grow in self-discipline. Disciplinary action, when necessary, will be firm, fair and consistent so as to be the most effective in changing student behavior.

DISCIPLINE OF STUDENTS WITH DISABILITIES

This Code affords students with disabilities subject to disciplinary action no greater or lesser rights than those expressly afforded by applicable federal and state law and regulations.

CONSEQUENCES

Our Behavior Management Plan addresses the consequences implemented when students exhibit the aforementioned prohibited behaviors.

PROCEDURES FOR FACULTY

Faculty members shall adhere to the discipline procedures as prescribed in the Behavior Management Plan.

ALTERNATIVE INSTRUCTION

When a teacher removes a student of any age from class or a student of compulsory attendance age is suspended from school pursuant to Education Law §3214, the District will take immediate steps to provide alternative means of instruction for the student.

CORPORAL PUNISHMENT

Corporal punishment is any act of physical force upon a student for the purpose of punishing that student. Corporal punishment of any student by any District employee is strictly forbidden.

STUDENTS SEARCHES AND INTERROGATIONS

The Board is committed to ensuring an atmosphere on school property and at school functions that is safe and orderly. To achieve this kind of environment, any school official authorized to impose a disciplinary penalty on a student may question a student about an alleged violation of law or the District Code of Conduct. Students are not entitled to any sort of "Miranda"-type warning before being questioned by school officials, nor are school officials required to contact a student's parent before questioning the student. However, school officials will tell all students why they are being questioned. An authorized school official may conduct a search of a student's belongings, as per the Code of Conduct, that is minimally intrusive, such as touching the outside of a book bag, without reasonable suspicion, so long as the school official has a legitimate reason for the very limited search.

PUBLIC CONDUCT ON SCHOOL PROPERTY

All persons on school property or attending a school function shall conduct themselves in a respectful and orderly manner as prescribed by the Code of Conduct. In addition, all persons on school property or attending a school function are expected to be properly attired for the purpose they are on school property.

TELEPHONE USAGE

A phone will be made available for emergency and/or specific purposes only (i.e., forgotten lunch, instrument or homework).
