

PTA Membership

Sign-Up Form for the 2019-2020 School Year

Please show your support by joining the Amagansett School PTA today! Your annual membership not only helps to support our PTA programs and pay for our insurance, but also allows you to vote on any PTA policies and programs for the upcoming year.

Kindly submit the completed form below with either cash or a check in an envelope clearly marked with your name and "PTA Membership" on it. Completed forms may be sent into school with your child and are due the first week of school.

We are striving for 100% membership again this year! Remember, PTA membership is open to everyone. That means any parent, teacher, and local community member is eligible to join!

The traditional paper membership card has been replaced by a virtual eCard that will be emailed to members upon purchase of a membership.
